Dear Warren,

NAOSH Week 2011 seems well behind us but we have not forgotten the key role played by our sponsors in making the event a huge success. On behalf of the NAOSH 2011 organizing committee, we would like to take this opportunity to thank you and Sanjel Corporation for your generous support of our 2011 NAOSH Week events.

NAOSH Week 2011 kicked off on Monday, May 2<sup>nd</sup> with the reading of the Official Proclamation by Mayor Naheed Nenshi at the Military Museums. Throughout the week, the Calgary Regional Safety Committee hosted barbeques and information sessions at four Calgary high schools to bring the safety message to a new generation of workers. A community event was held on Saturday, May 7<sup>th</sup> at Deerfoot Mall that featured a free barbeque, live entertainment and many interactive safety displays. Our events concluded with the annual CSSE Luncheon, Conference and Tradeshow held at the Glenmore Inn on Wednesday, May 11<sup>th</sup>.

Through these events, we were able to reach a wide audience with information on the importance of safety at work, at home and in the community. These events would not be possible without the financial support of our sponsors.

The Calgary Chapter of the CSSE and the Calgary NAOSH Week committee worked hard to coordinate these efforts but it was your financial support that allowed us to make it all happen. We would once again like to extend our sincere appreciation for your support that was so important in ensuring the success of our events.

Sincerely,

Glyn Jones
