

Leadership at Sanjel

At Sanjel, leadership is defined as the ability to influence and enable others to engage together willingly towards a shared vision. Our leaders do this by inspiring confidence in others and by creating a way for our teams to exceed their own expectations, making something extraordinary happen.

A Sanjel Leader

Consistently demonstrates a strong commitment to safety in all aspects of his/her life

Leads by example and encourages others to follow

Is confident and committed to execution

Is accountable to the team and organization for desired results

Listens generously and engages in open, two-way communication

Is humble, yet determined, and focused on the larger goal of building a great company

Has a clear sense of company direction

Is able to make tough decisions when necessary

*Is compassionate and trustworthy, gaining respect through living our unique
“Pride by Safe Performance” culture*
